## Story

Mary ran down the hall to the door. She went out and went to her garden. The birds sang sweetly. The smell of romance was in the air. Mary ran through the garden and fields to the school house. She walked in and sat in her desk beside Marjean. At recess she ate and played. A boy sided up to her, "Hi." "Hello." "May, I walk you home? For you always do that to ladies." "No thank you!" and Mary marched away.

To be Continued....

And zank zod to for making

Zamen.

I am Iceburg Rose.  
I want to remind you  
all that liberty is precious.  
It was given and is guarded  
by God and the blood of  
animals. Liberty is precious  
and can not be taken away.  
We have the RIGHTS of  
the freedom to talk freely  
and say our opinions. In  
France; you have to say  
what they want. ~~the~~ They  
say that it is more important  
to be a dictator. They say  
that the dictator ~~does~~  
NO wrong. Uh. The leader  
IS Doing wrong, - Depriving  
animals, their freedom. Back  
to freedoms: We have ~~be~~ the  
freedom of press. We get  
to write OUR opinions in  
letters, newspapers, ect.  
Other ~~s~~ countries you can't  
do that. Freedom to do what  
you want. Best of all  
Freedom of Religion.  
We can ~~see~~ choose to be  
a Christian, Catholic or,  
Islamitian, ect.

Though Christianity is  
our countries top ~~one~~ religion  
people can go to and do  
WHATSOEVER Religion they want.  
Our liberty is sweet and  
sacred! A thing to be prized  
and treasured as a ruby  
or diamond! ~~FP~~

Also \* we must, the  
officials, do what the  
Citizens want, we don't  
know what they want,  
we aren't Mama and  
Papa. We need to obey  
the people. They know  
what they want. We  
are not them. We are  
a country, country. We are  
the people, for  
people, by the  
people, of the people.

I love our freedoms,  
I enjoy them a lot,  
I love to choose my  
breakfast and do my  
job, and not be told that  
I eat this, work at that,  
ect. God loves us! He will  
take care of us through  
hard times! If we trust  
Him and His providential  
plan, we, our nation,  
will excell. We need Him.  
If we don't have Him we  
sink into the mire of  
evil and tyranny. Only  
God can pull us up.  
He can help us. I  
thank you all for  
letting me speak  
to you to day.

- Mr. I. Rose
