SPEECHES

Thank you!

News woman:

Mrs. Gingersnap Fir

I, Iceburg Rose, am very happy to see you all today. I praise the Lord that He has let me pass the Primaries. This far I have come ~~by~~ only ^{by} God's grace, which is so wonderful. ~~this~~ He has blessed me and kept me safe through this war. I miss everyone.

We have to persevere to win this ~~race~~ war. The French have taken ~~the~~ the God given rights the French people love and have ~~thrown them out~~ the window. God has helped us this far, so He'll help us win, if it is His will.

I love this nation. We need to stand firm on the Bible; we need to stay as a Bible believing nation, ~~but if God wants He~~ ~~can make us~~ to be an ungodly nation. We need to pray more for our nation, for ~~our~~ our King and Mr. Rose.

I hope to be able to serve my country as President, if The Lord wills.

Thank you.

Iceburg J. Rose B1

I am so grateful ^{to God} that ~~I~~ I have
been able to pass the primaries, and that
no animaliberals, have passed. How great and
good the Lord is!

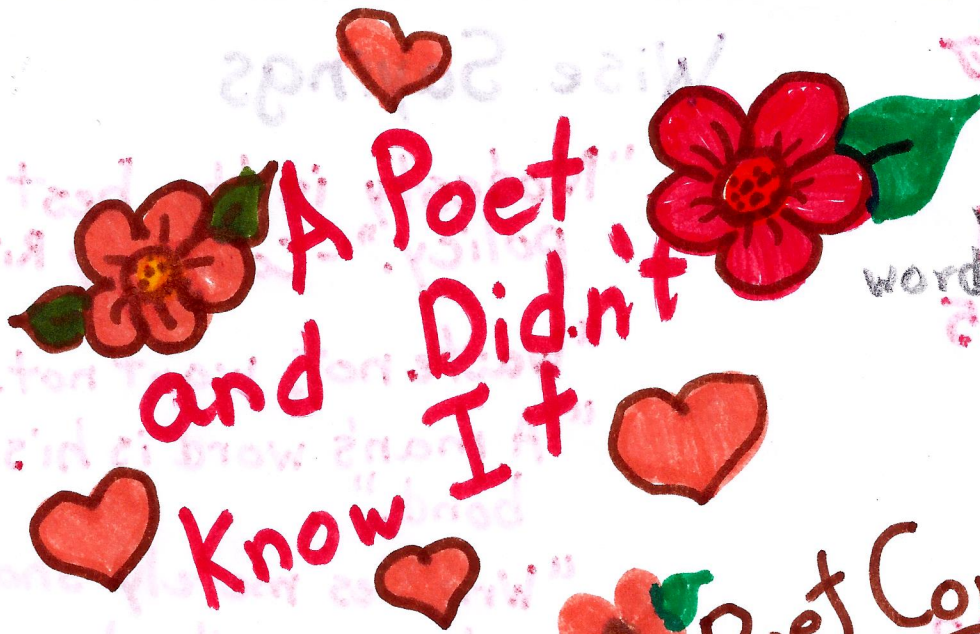

He has helped us win the war.
All we need to do is ~~pay~~ pray that if it
is His will we ~~beat~~ conquer ~~the~~ Paris.
I am writing this as I am ~~marl~~ in my
tent with Iceburg. We've talked together
about how God has been so good to
us and has let ~~an~~ Animalzania win thus
far. It is so great to have Christian
friends. ~~I can~~

Thank you.

Lake Forester

I, ~~the humble~~ the humble, Peter Fox,
gladly writes this speech in honor of
Mr. Rose, Leaburg Rose and Luke & Forester.
I hope that God will help us all in
the hard times, in the trials; and let us
never become Communist like France and many
others which might come. I will pray
(I have been praying) that God will
make us secure on every side. That the
Bible will be the main book in every
country. And ^{let} ~~John~~ Macaureth's books change
Communism. What will happen if this
nation falls? Well, ~~it~~ it might ^{become} Communist.
If a Communist ~~a~~ President gets into office
he will try to wreck this country country.
And that the bears in Bearville will
stand firm and I hope this nation
will stand forever. And that the
children, which it seems to be ^{killed} daily,
will be helped with the services of
Animalzania.

Amen
