Animalzania

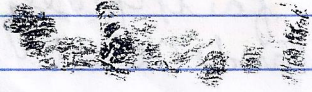

As many of you know, I am Mr. Rose. I have tried to ~~see~~ serve you faithfully this year. I understand that many in you & this crowd are some p animals who one of which will succeed me. Harken! Choose wisely on who is next to come. Many only want power; few want the pleasure of enjoying the happiness of having a happy ~~ma~~ town and county. And ~~to~~ now as the father of the governors and mayors I want all mayors and governors to follow me. I dream of a town and country where there is ~~no~~ no tyranny. I hope, the next, will be honoring the ideas of the people. Listening to them and doing what they want. The people know what they want. I understand that. Many don't. They raise taxes and force things down their throats. I hope that Animalzania, Pearl County and Farjeaf stay away from that.

Now I leave you. I will return and enjoy the reapings

of others and myself or  
cry tears and flow and  
heal to the others. I hope to come  
back soon.

Rose.

going away  
I am ~~old~~ and here are some  
men, conservatives and liberals here.  
to speak to you and interduce themselves.  
One will be in my sted. Know  
listen and choose & whom you will  
desire as thy years leader.

Thank you.

- Mr. Rose.

I, Peter Fir, have come to, I have come to be President. If the Lord wants me to be. In the Lord's Name if I take office. I will try to make Pearl County and Farjay be a bit better. That John Rose, who is the ~~pre~~ President will not be ashamed of me. I hope that Ani Pearl County will think the best of God and honor Him with all their heart, with all their mind, with all their strength, and with every thing. And I hope that Pearl County will be a place of ~~God's love~~ God's Love, and worship Him, and follow His commandments. I hope that no Liberals, um, will take office and change Pearl County into a, into an evil county and despise God. So I pray that God will make the person whom He wants to be President of Pearl County. ~~If~~ IF God wants me or my son or father to become ~~a~~ President; if ~~go~~ God doesn't let me be come President, the other liberals will change this County into a Liberal county. And this is all I have to say.

Amen

Okay Thank you for letting me  
be here today ~~to~~ because of all  
that God has done I have lived through  
the trials of this world. Through my  
age God has let me prosper. In His  
Hands Okay! Let God be merciful unto  
me when I am President if I am  
President. The Lord has been  
very merciful unto me. And if ~~go~~  
God will He will let me be  
President If he wants me to be.

Amen

of cities become better than ever.  
And I will shout at the top  
of my lungs, I AM The Best  
President!!!!

The End

- Mr. Mufaw

I am the son of Mr. Rose, Iceburg James Rose. As you know I am a conservative. Running for what seems and looks right. I am running for family values, Christian values, free enterprize, and a fight against the liberal ~~wt~~ party. To fight ~~com~~ Communisim too. I pray that you, the Animalzanians, would look at me not because I am a son of Mr. Rose, but because I am a Christian, a conservative, a free man wanting to know the joy and love twords a people. I am a strong, very strongly, against Big Government. I believe that my dad is right in what he says. This is a nation for God's glory. My sister, Velvet Rose, wrote the anthem and it states, "Let the Grace of God ever be upon us." We, a nation can not be by ourselves to bring success. Only by God's help can we. Thank you for letting me speak here, to you all.

The End

- Mr. Iceburg J. Rose

# The National Anthem

The calm breezes blow the ever  
nonfailing promise of spring. The pink, blue,  
and brown proclaims the call of liberty. And  
the rolling fields of golden corn and wheat  
of the old years last crop. To the flag on  
its staff to the rolling, blue expanse to  
the land of the free we sing of thee.

Oh, the golden poppies, the willow's new  
leaves of Liberty sweet we sing of thee.  
The golden sun in the east + the west  
sets over a land of youth and liberty  
The heart sings of this land. Land where  
long hopes have been, Let all the nature  
sing praises to our God our King  
who made us. Let us sing His praise  
for our liberty. Oh, let the grace  
of God ever be upon us, let  
let ever grace and freedom be  
upon us. long.

## The Pledge

I pledge allegiance to the  
Flag and nation of Animalzania.  
And to the Lord for whom we  
serve with great ardore pledge:  
To the one nation under God  
filled with liberty and justice  
and love to all ~~or~~ Animal zamians.

# A Poet, And Didn't Know It....

"Born of Wind"

Born of wind,  
And Mountain dew,  
Born of spring  
And of dew.

Born of with hair of golden hue,  
And silvery eyes of sapphire gems,

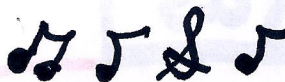

Garbed in silk and stars,  
Adorned with lily and violet,  
Fair as the moon,  
Clear as glass,  
Delicate as rose leaf

Born of the wind thou art

Silver wings,  
Lustery jewels,  
Graceful dances  
And Midnight balads.

Fairy maiden, thou art a graceful girl,

Grown in starlight,  
Soft as lavender,  
Gentle Lass of Fairland,  
Born of wind,  
And mountain dew.
